

## READING COMMUNITY SCHOOLS

*“HIGH ACHIEVEMENT FOR ALL”*

Ranger Families,

As Reading Community Schools continues to plan for the future, we're asking for your help. This May, a Replacement Sinking Fund proposal will be on the 2026 ballot, and we want to make sure our decisions reflect the priorities of the families and community we serve.

We've put together a short survey to gather your thoughts about district facility needs, safety updates, and long-term improvements. It only takes a few minutes, but your input makes a big difference.

Your feedback is extremely valuable, and we truly appreciate you taking the time to share it with us.

Thank you for supporting Reading Community Schools!

Please click on the link below to access the survey...
